# STATEMENT OF INTERNAL CONTROL AND ANNUAL REVIEW OF EFFECTIVNESS OF INTERNAL CONTROL FOR YEAR ENDING 31<sup>ST</sup> MARCH 2023

The Accounts & Audit Regulations 2015 aims to strengthen governance and accountability through requirements related to internal control and internal audit. Whilst the Parish Council has reviewed the effectiveness of the internal audit (independence, competence, proportionate and scope), it has a requirement levied on it to ensure that its financial management is adequate and effective and that it has a sound system of internal control. The framework of accountability is risk-based i.e. level of control and management must be appropriate to the risk involved. The Council must determine the most appropriate method of internal control. It should ensure that internal control tests are proportionate and relevant and should not show undue interference in the RFO's day to day management of financial affairs.

## **Purpose of Internal Control**

Internal control is designed to reduce financial risk to the Council; the system of internal control is designed to ensure that the Council's activities are carried out properly and as intended. Internal controls are set up by the Clerk / RFO but it also falls to Council Members to ensure that they have a degree of control and understanding of those controls. Controls will include the checking of routine financial procedures; the examination of financial comparisons; the recording of assets and liabilities; the identification of risk and to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

#### **Annual Review of Internal Controls**

As part of its internal control, the Council agrees that overall it has conducted an annual review of the system of internal control via the following tests.

Period covered by review of Internal Controls: 01.04.2022 - 31.03.2023.

Date of review of system of Internal Controls: 31.01.23 by RFO to be presented to full Council for formal approval at meeting of 08.03.23.

### **Review of effectiveness of Internal Control**

The Council has responsibility for conducting an annual review of the effectiveness of the system of internal control. The review is informed by the work and any issues identified by the Clerk to the Council / RFO who has responsibility for the development and maintenance of the internal control environment and managing risks and the Internal Auditor who reviews the Council's system of internal control and who makes a written report to the Council.

Regulation 6 of the Accounts and Audit Regulations 2015, imposes a duty on local councils to ensure "that the financial management of the body is adequate and effective and that the body has a sound system of internal control." Local councils are required, at least once a year, to conduct, in accordance with proper practices, a review of the effectiveness of its system of internal control.

Agenda reference 9 ii d): at the meeting 8<sup>th</sup> March 2023, Council considered this Statement of Internal Controls, and having reviewed it, considered that the controls currently in place are effective and appropriate for Lindsey Parish Council in its management of public finances and agreed that the system of internal control is sound and provides an adequate foundation to mitigate the risks associated with the operation of public money.
